

GOAL

I intended to sharpen my technical and soft skills to uplift myself and to be industry-ready to serve the industry at my best from the beginning of my professional career

EDUCATION

- Currently pursuing B-tech Computer Science & Engineering (Artificial Intelligence and Machine Learning) - 3rd Year, SRM KTR.
- Current CGPA: 9.49
 - SEM-1 SGPA: 8.86
 - SEM-2 SGPA: 9.42
 - SEM-3 SGPA:9.82
 - SEM-4 SGPA:9.85
- 12th Board: 77.6% From White Leaf Public School (CBSE), Delhi, India
- 10th Board: 87.4% From O.P Jindal Modern School (CBSE) ,Hisar, Haryana , India

HOBBIES

- Painting
- Badminton
- Reading

EXTRA CURRICULAR ACTIVITIES

- I took part in various painting competitions.
- I was in the Heritage Club of School.

KHUSHI BANSAL

B-Tech – Computer Science (Artificial Intelligence and Machine Learning) Batch: 2022 – 2026

SRMIST - Kattankulathur Campus, Chennai, Tamilnadu, India

SELF-INTRODUCTION

My name is Khushi Bansal. I am a 3rd year student pursuing my B. Tech in Computer Science and Engineering with specialization in Artificial Intelligence and Machine Learning here at SRM IST.

I am from Hisar, Haryana. I am a person who tries to be calm, patient and strive to think in a future forward way.

I enjoy reading and have a keen interest in technological and scientific innovations. I want to learn something new and exciting every day, and I am working on myself daily.

SKILLS

- Programming Languages: Python, C, C++
- **Concepts:** Object Oriented Programing, Data Structures and Algorithm, Operating Systems
- Web Technologies: JavaScript, HTML, CSS
- Database: MySQL

WEBSITE, PROTFOLIOS & PROFILES

- GITHUB: https://github.com/kbansal17
- **LeetCode**: https://leetcode.com/u/BhqxznWmaH/
- LinkedIn: https://www.linkedin.com/in/khushi-bansala8a8712b3/

CO-CURRICULAR ACTIVITIES

- In addition to my studies, I have taken part in several Hackathons, Quizzes and Coding Competitions during my time here as well as in my school years.
- My greatest achievement is securing a 100% scholarship and achieving a rank of 8th in the SRMJEE.

CERTIFICATIONS

- Scalar: Master The Fundamentals and Advanced Concepts DBMS course
- AWS: Machine Learning Foundation
- MATLAB: Machine Learning Onramp
- MATLAB: Deep Learning Onramp
- MATLAB: Digital Image Processing
- MATLAB: Computer Vision Essentials
